**Company history/background**

We are interested in investing in the Costa del Sol area, participating as a financial partner in various established businesses (not projects) that offer around a 20% annual return. We are open to all sectors (excluding development and real estate), preferably with monthly or quarterly payments. We have €2,500,000 in available capital. If you have a business that meets these criteria, please send us information so we can analyze it. We are only interested in legal businesses with all the necessary licenses. We would not manage the business ourselves; we could participate in partnerships or as self-employed individuals.
