Company history/background

We are a company that was founded in 2015 with the aim of helping and reaching all the elderly people in the Basque Country who needed home care. In 2019, we embarked on the new challenge of opening a Therapeutic Center where we can offer a wide range of therapies, including Psychology, Occupational Therapy, Animal-Assisted Therapy, Physiotherapy, and much more.

We have an impressive team of professionals

Our priority is the care and satisfaction of our patients and their families. With this goal in mind, we have formed

Other

Our business could be of interest to a home care company looking to expand into the Basque Country and interested in establishing a new and innovative therapy center. It could also be of interest to a therapist who wants their own therapy center and to start with a well-equipped team.
