Company history/background

This prestigious business, operating as a restaurant for over 40 years, is for sale.

The premises consist of 4 joined premises that make up an interior area of 250 m2.

It features a fully equipped and well-distributed kitchen for service delivery. From here, there is access to the large warehouse, which also includes a staff changing room, bathroom, and laundry area. Furthermore, downstairs, there is a large storage room where everything can be stored without space issues.

The customer area is divided into a waiting room with a bar and 2 adjoining rooms with capacity for 48 diners.

The most attractive feature for customers is the enormous 250m2 terrace with capacity for another 68 diners, from where they can enjoy the moment contemplating the sea views.
