Company history/background

This is an early-stage sock e-commerce business that pivoted to a growing clothing brand, where we are now, thanks to interaction with our Instagram community. It's a leading streetwear brand in Spain for a Gen Z target audience, who come here to stay up-to-date with urban fashion. We don't just sell socks; we also create value for our audience.

Selling streetwear clothing for a young and up-to-date audience in the trends dictated by urban fashion.

Unique selling points

We focus solely on ecommerce, online sales.

Other

We're looking for someone passionate about streetwear fashion, who has a real passion for owning and running a clothing business. Due to the team's relocation, we can't dedicate the time needed for the business to continue growing.
