**Company history/background**

Private Medical Practice founded and registered in 2000

Medical practice specializing in orthopedic surgery and traumatology, physiotherapy, osteopathy, massage, and lymphatic drainage is for sale. Registered in 2000, it has a surface area of 220 square meters, distributed into a reception area with a waiting room and six consultation rooms, including a fully equipped

rehabilitation/physiotherapy room. It also has a fully equipped outpatient surgery room, including several surgical instrument trays, an electrosurgical unit, and a sterilizer. Diagnostic equipment includes digital X-ray, ultrasound with three different probes, and bone densitometry. Its facilities could also be useful for other surgical specialties such as general medicine and surgery, plastic surgery, urology, and gynecology. It is located in the heart of Arroyo de la Miel (Benalmádena), 15 km from the city of Málaga, Spain, with free parking nearby and excellent public transport connections. The sale is due to early retirement.
