Company history/background

50% or 100% of the business is for sale. A company formed by two partners, specializing in offset printing, digital printing, signage, and large-format printing in Ibiza. With over 14 years in operation, its own machinery, a rented warehouse, and more than 6,000 clients, many of them loyal and recurring. The asking price is 80% of the average revenue of the last 5 years plus the market value of the machinery.
