Company history/background

This gynecology and assisted reproduction clinic, operating since 2002, currently maintains 4,400 patient records and is accredited by the Community of Madrid, meeting all the necessary specifications for its activity and holding the EU center code. It also has an authorized medication storage facility. The 320 m² premises comprise a reception area, waiting room, three offices, a meeting room, three nursing stations, a procedure room/operating room, a sample collection room, an andrology laboratory, a laboratory, a storage room, staff

changing rooms, and three public restrooms and one staff restroom. Current fixed costs include €2,800 per month in rent, and there are eight employees and three self-employed contractors. Annual revenue ranges between €500,000 and €600,000.
