**Company history/background**

Established 40 years ago, this company specializes in both permanent and temporary audiovisual installations (events). We are the exclusive distributors of several LED screen brands, as well as other brands such as Philips, Samsung, and LG. With extensive experience in event setup, we can offer complete or partial services, including owning our own equipment for giant screens, sound systems, cameras, and more. The business is fully operational and highly profitable. It is being sold due to the retirement of the sole partner and director.

Event setup, sale and installation of audiovisual equipment:

- Programming of home automation systems (room automation)
- Recording and production of video reports
- Import, Sale and Installation of giant video screens
- Maintenance of Audiovisual Installations.
- Comprehensive event setup service

## Other

A good investment for an entrepreneurial individual. Extensive portfolio of top-tier clients. Opportunity to run a highly profitable business thanks to a significant stock of state-of-the-art digital equipment. The purchase includes all the know-how acquired over nearly 40 years. This profile was added by an unregistered business owner or consultant.
