**Company history/background**

For sale: Online wholesale and retail travel agency in the Valencian Community, license valid until 30/04/2022 which allows, in addition to operating as an online travel agency, opening and operating up to 7 physical branches, simply by notifying the Tourism Authority of their opening, great potential for business expansion.

Wholesale and retail travel agencies can sell to the general public as well as to other agencies. Specializing in

travel packages for groups, individuals, etc., and operating as a pioneering website for single travelers, thousands of solo travelers have purchased our products and participated in our events in recent years. Singles, as a customer segment, have greater purchasing power and struggle to find packages to suit their needs with international destinations, creating a significant business opportunity.

Very good online and social media positioning (more than 8,000 followers), with recurring customers and good margin levels.
