Company history/background

A functioning home decor shop is for sale in Ciudad Real. The premises are well-located and perfectly suited to the business. The company holds exclusive distribution rights for the entire province for two of the leading brands in the sector. Currently, they have no employees and have experienced a surprisingly positive impact since the pandemic. They require an investment of time and dedication to reach their full potential. The company is a local institution and has a reputation for being the most prestigious. They are known for their in-depth

product knowledge. The reason for the sale is retirement.
