Company history/background

Cosmetics e-commerce business for sale due to the current owner's conflicts with other professional projects. The sector has experienced a period of expansion since COVID, and e-commerce in particular was unaffected.

It boasts a customer base of nearly 20,000 and a high customer lifetime value (CLV); moreover, its technological level is quite competitive. It works with top-tier brands and offers a gross margin of over 30%. Its business model

makes it highly scalable and with significant growth potential.
