Company history/background

Clothing store for sale in Zamora. They sell classic and semi-classic style clothing, attracting a wide and diverse clientele. The store has one employee who attends to customers, and the premises are well-located, with a large display window and approximately 80 square meters of space. There is a high level of stock; the store was renovated 5 years ago and is fully equipped. COVID had a minimal impact, and sales are now exceeding pre-pandemic levels. The sale is due to the owner's change of business plans.
