**Company history/background**

Clothing store for sale in Salamanca. They sell classic and semi-classic style clothing, attracting a wide and diverse clientele. The store has one employee dedicated to customer service, and the premises are well-located with a large display window of approximately 130 square meters. There is a high level of stock, and the store was renovated 5 years ago and is fully equipped. COVID-19 had a minimal impact, and sales are now exceeding pre-pandemic levels. The sale is due to the owner's change of business plans.
