**Company history/background**

Barbershop for sale in the Salamanca district of Madrid. Located on one of the city's main thoroughfares, the business occupies a renovated space and is known for its exclusive service using only organic products. They offer men's barbering services in an attractively designed shop with three comfortable chairs. The main reason for selling is the owner's lack of time to manage the business. The shop employs two barbers and has a loyal clientele.
