Company history/background

Infinity Training School was founded in 2017 with the purpose of offering its students the best training for their future, for which it has highly qualified teaching staff and the most innovative and in-demand courses currently available.

Currently in operation, in a booming sector.

We have a very broad course program for all ages (young people, adults, and professionals). We offer courses with in-person classes and e-learning. Our school is a center with extensive teaching experience; we are certified and maintain excellent quality in all aspects (location, facilities, technical resources, and teaching staff).

Reference center in the Veterinary Area and Competitive Examinations.
