Company history/background

Become the owner of your own restaurant in a fantastic location, even before this summer, with an incredibly attractive investment! A successful restaurant in a very popular summer resort town is available for seasonal or year-round operation. The opportunity to start your business is just €75,000! A long-term lease is offered with very reasonable rent and an annual transfer fee financed over 10 years! The restaurant is well-established, with an international menu. The town is a popular tourist destination during the summer months (April-September)

and enjoys a steady flow of visitors throughout the rest of the year, especially on weekends, holidays, and during school breaks. The owner is a well-known local entrepreneur who is looking to sell the business to retire.

Restaurant with an international menu, terrace open for 6 months during the summer. Small premises.

Unique selling points

The restaurant has a large terrace facing the sea, part of which is covered. You can start a bar inside (for the slower months) and take advantage of events and weekends throughout the year.

Other

Restaurant professionals, a unique opportunity to enter a successful restaurant with an entry fee of only €75,000.
