All licenses and permits in force.

The equestrian center has 22 quality boxers in perfect condition.

He is dedicated to the practice of horse riding and horse excursions; nearby there is a lake and a castle.

They also organize private parties, and in the summer, taking advantage of their location near the coast, they organize coach trips for hotel and campsite guests to visit the equestrian center and hold parties. They also organize school visits to the equestrian center.

Unique selling points

Optionally, 3 hectares of land next to the equestrian center can be purchased.

Being managed solely by the family has prevented them from growing further.

With its expansion and more business-oriented management, it has a great future.
