**Company history/background**

Offered for sale:

Academy specializing in Cambridge exams for children and adults, with or without premises.

Thirteen years ago, our academy was founded with the vision of offering high-quality language education. From the outset, we decided to stand out by specializing in preparing young people for the Cambridge exams, a

decision that set us apart in the market. Despite initial challenges, our reputation grew rapidly. Over the years, we have expanded in size, staff, and student enrollment, always maintaining a focus on excellence and results. Our students' success stories reflect the impact and commitment of our academy to language training.

We are leaders in language teaching, with an emphasis on Cambridge exams. We offer:

1. Seasonal Courses: Summer and winter intensive courses for all ages.
2. Children: A fun and educational methodology, using ClassDojo for parent-child interaction.
3. Teenagers: Specialized preparation for Cambridge, with an additional system that guarantees results.
4. Innovation: We use the latest teaching tools and techniques. Our commitment is to excellence, reflected in our students' success in obtaining certifications. We continuously strive to improve in order to be the best option for language training.

### Unique selling points

Unique Points of Sale:

1. Cambridge Specialization: We are leaders in Cambridge exam preparation, standing out for our experience and excellence.
2. Seasonal Courses: Intensive summer and winter courses that accelerate learning.
3. Didactics for Children: Use of ClassDojo, guaranteeing playful learning and a close connection with parents.
4. Exclusive Preparation: Additional system for teenagers, ensuring success in Cambridge exams.
5. Commitment to Success: Our guarantee is the certification obtained by our students.
6. Constant Innovation: We employ the latest methodologies and tools, keeping us at the forefront of teaching.

### Other

The ideal candidate would have:

1. Experience or interest in teaching: We value commitment to learning and pedagogical excellence.
2. Future vision: We want someone who will preserve the essence of our academy, but who will also introduce relevant innovations.

3. Administrative skills: It is essential that you manage the business, relationships with the educational community, and financial stability.
4. Commitment to quality: That it maintains our high standards and the reputation built over the years.
5. Empathy and interpersonal relationships: Academia is a community. We need someone who fosters a nurturing environment.

Our wish is that the academy remains in committed hands, guaranteeing the educational excellence that we have always offered.

The premises are offered for sale separately (not included in the sale of the academy).
