Company history/background

Founded in 2015 in the exclusive village of Agua Amarga, known for the Pombos and Goergina, wife of Cristiano Ronaldo, the original store has the best location in the village with high traffic and a lot of visibility. It sells a very original selection of deco, gifts, clothing and costume jewellery. In 2020 it began online sales nationally and in Europe, and in 2022 it opened its second store in the largest town in the Cabo de Gata natural park, San José. The stores are very loved by their customers, for their treatment and originality.

Two physical stores and an online store. Sale of furniture, decoration, textiles, home accessories, clothing, accessories, costume jewelry, toys and gifts.
