Company history/background

A campervan company established in May 2023 and operating since then with constant and sustained growth. We have a fleet of 4 vehicles in impeccable condition, ready to continue generating income from day one. Business fully up to date with legal and tax obligations, with a national brand registered in the Spanish Patent and Trademark Office and an active online presence through a website and social networks. Ideal opportunity for investors or professionals in the camper sector looking for a young, solid company with great expansion potential.

We are a company dedicated to turning dreams of traveling freely into a reality on wheels.

We specialize in the rental and management of fully equipped campervans, perfect for getaways, holidays or road trips.

Each vehicle is an experience on wheels: comfort, design and reliability.

Our passion for the camper world is reflected in every detail and in the constant growth that the brand has had since its creation.

Unique selling points

Costa del Sol

Other

We are looking for a buyer with business acumen and management skills who wants to join an operational, young business with growth potential.

Ideal for investors or MBI candidates with experience in automotive, tourism or SME management, interested in expanding in the camper sector.

Perfect opportunity to take control of an already structured company, with real assets, a registered trademark and a proven track record.
