Company history/background

For sale: company specializing in the rehabilitation and maintenance of buildings in the city of Barcelona and its surrounding municipalities, Baix Llobregat, Barcelonés, Vallés Occidental, etc.

The company SL offers a comprehensive facade rehabilitation service with high standards of quality and reliability, and very good profit margins.

Family business with over 15 years of experience in the sector, with a significant client portfolio and over 1,000 projects completed in Barcelona City and surrounding areas.

They carry out preliminary reports and preventive maintenance to reduce future pathologies, works for mandatory compliance with the ITE (Technical Building Inspection), emergency services for repair of dampness and water, electricity and gas installations.

We also do a lot of work on facades, applying coatings, waterproofing roofs, energy rehabilitation, etc.

Turnover has been clearly growing in recent years, exceeding 5 million euros.

Opportunity to purchase the SL company or to transfer the entire business with its important client portfolio and without any debts.
