Company history/background

Mobile/Fixed Telephony Services Company for Sale. Established customer base. Operating since 2018 as a Mobile Virtual Network Operator (MVNO) experiencing significant growth. Authorized by the CNMC (National Commission for Markets and Competition). Large customer base in highly specialized and profitable market niches. Founding partners with over 16 years of experience in the telephony/telecommunications sector. Excellent business growth outlook. Potential for major projects and expansion of the customer base thanks to

the company's own contact database and highly specialized staff. Projected revenue exceeding €3 million. Rapid growth expected with minimal investment required. Located in Barcelona. The company has active contracts covering 100% of Spain and offers specialized international services.
