**Company history/background**

For sale: a well-established family-run international road freight transport and freight forwarding company. Located in the Province of Valencia in a prime strategic location. The company boasts many years of experience in the sector and a broad portfolio of top-tier clients in Spain, France, and Central Europe. It owns a large fleet of trucks with well-established and regular international groupage routes. The trucks and facilities are in excellent condition and constantly updated to ensure a first-class service with complete reliability and international traceability. The company has a well-structured workforce with highly specialized personnel across various logistics functions. Annual turnover exceeds €3 million, with demonstrable profits. A large logistics warehouse,

storage facility, and offices, owned by the company, are included in the sale price.

International road transport with established, regular routes
