Sale of a wall clock manufacturing company based in a major town in the province of BARCELONA.

We are seeking an investment partner for a company that manufactures wall clocks, which are assembled and mounted in their own facility. They also have a second line of business dedicated to exporting exclusive furniture and technical products and items for all types of uses to other countries.

This is a newly created company whose corporate purpose is the wholesale trade of wood, construction

materials and sanitary equipment.

It is currently an expanding project that already markets in some Central American countries.

They have two warehouses of more than five hundred and seventy meters, where they have their offices and storage facilities.

They have the necessary facilities to carry out their operation, and the entire complex is in excellent condition and working order.

RRP 230,000 (Sale of 30% of the company shares)
