Sale of a wholesale gardening company (C-7612) domiciled in an important town in the province of Cáceres.

We are seeking an Investment Partner for a landscaping company comprised of a team of agricultural and forestry engineers. They advise their clients on solutions tailored to their needs, helping them create beautiful gardens. They offer a full range of garden accessories, including plants, trees, and more. They also handle the application process for irrigation improvement grants. With over twenty years of experience in the sector in Extremadura, Madrid, Castile and León, and Portugal, the company is staffed exclusively by residents of the

Extremadura region. They are a state contractor, members of PYMECON (Federation of Small and Medium-Sized Construction Companies of Cáceres), and EXTREFOR (Extremadura Association of Forestry and Environmental Works and Services Companies). The company is certified according to ISO 14001:2004 and ISO 9001:2008 standards. Founded in 1993, they carry out construction and repair work on swimming pools, gardening, maintenance of green areas and irrigation for both agriculture and gardening, forestry work including clearing, selective pruning, felling, planting, treatment of plant waste, fertilization and phytosanitary treatments. They also undertake civil engineering projects, building construction, waterproofing and pond construction, as well as wholesale and retail sales of materials and products for swimming pools, seeds, fertilizers, pipes (PE and PVC), street furniture, outdoor fitness equipment, playgrounds and everything related to the countryside, forest and garden.

RRP €550,000 (Sale of 50% of the Company)
