Sale of an industrial supply company (C-8204) domiciled in a major town in the province of Madrid.

It is a company with over 17 years of experience in the industrial supplies sector, offering its clients comprehensive supply and service options. It is a limited liability company focused on supplying imported materials. After several years of service and exponential growth during the 1990s, it acquired specializations in various sectors, directing its efforts toward government agencies in the country. The Ministries of Defense, Interior, and Public Works became its main clients. Currently, the company offers its clients complete and

satisfactory solutions for any project they undertake.

Currently, it is a continuously growing company in the sector, with a national presence.

It has facilities of 360 square meters, available for rent, distributed over several floors. The monthly rent is 3,000 euros.

Target Selling Price: €1,050,000
