Sale of sports school-gym business (C-8265) domiciled in important towns in the province of CIUDAD REAL.

This company is dedicated to the comprehensive management of sports and general training services. Furthermore, the company undertakes global projects in training, sports, maintenance, lifeguarding and rescue, design, and new technologies. They have a multidisciplinary team of technicians and professionals who analyze and evaluate the various dimensions of each project in a comprehensive and personalized manner, seeking the optimal solutions for every case. Within the framework of the Occupational Training programs of the Regional

Ministry of Employment and Economy of the Government of Castilla-La Mancha and the development of vocational training for employment, this company is authorized to conduct training courses in the following fields and specializations, which lead to the attainment of various Professional Certificates.

For the delivery of this regulated training, they have classrooms accredited by the SEPE and are in the process of accrediting a TELE-TRAINING platform for the delivery of Professional Certificates.

The company's areas of expertise are: physical conditioning, management and administration of fitness centers, and management of the emotional well-being of individuals and organizations. The company also manages sports and athletic activities in all their aspects, adhering to high standards of quality and customer service. They offer: adult fitness programs, sports schools, sports camps, swimming lessons, etc.

This company also provides comprehensive lifeguard and rescue services in public and private facilities. Its main objective is to provide its clients with cost-effective solutions.

They also have an online store and sales catalog of all kinds of materials and equipment for clubs, schools and private and official organizations, where they offer a wide catalog of items.

They currently manage several sports centers.

Target Sale Price: €135,000 (30% equity stake)
