Company history/background

Opportunity to transfer due to retirement closure. Large beauty center of approximately 180 m2 with 4 spacious independent treatment rooms for body treatments, passive therapies, laser hair removal and facial treatments, and an additional independent cabin for vibration therapies. Large multipurpose room for gym, yoga, pilates, etc.

Fully fitted out, decorated, and modern, this centrally located, high-traffic street-level business has been operating for 11 years with a loyal clientele. It boasts an extensive customer base and excellent goodwill, making it ideal for self-employment, investment, or business expansion.

The premises feature air conditioning, laminate flooring, two bathrooms, a storage room, and an office area. It boasts two large display windows at street level in a busy, central location. The layout includes a reception and waiting area, four large, independent treatment rooms (for facials, body treatments, passive therapies, and laser hair removal), plus an additional room for vibration therapies, a storage room, two bathrooms, and a large space suitable for a women's gym, yoga, Pilates, Zumba classes, etc.

Fully equipped with all the latest generation of treatments and techniques, both traditional and advanced aesthetic, including electric treatment tables, furniture, specialized software for managing beauty centers, a POS system, and printers. The business is being transferred fully operational with a complete stock of products, ready to begin operations immediately with a very extensive range of services.

Other

Equipment and apparatus maintained and checked by specialized technicians in perfect condition: electric beds, furniture, 2 Cavitation units, Radiofrequency, Mesotherapy, Photodepilation, Pressotherapy, Photorejuvenation, Vibration therapies, Sweat blanket, as well as all the accessories of a state-of-the-art beauty center.

More photos are available, and we'll answer any questions you may have. This is a fantastic opportunity; the business is being sold due to retirement and the inability to continue operating it. It's an ideal opportunity for professionals who want to open their own beauty salon with a significantly reduced investment.

Licenses in order as a comprehensive beauty center to start operating from day one and with the possibility of converting it into a medical-aesthetic center and gym with very little effort.
