**Company history/background**

We are a packaging company, supplying a large number of olive oil producers with everything necessary for success, from the bottle, the cap, the label, and all the machinery to make this possible in any format and/or container.

We offer all future supplies at cost, plus a documented client portfolio. Selling simply due to inability to manage

the business; demonstrable profits.

We can send photos and whatever else the investor or entrepreneur needs.

Production and marketing of packaged olive oil, all types of PREMIUM qualities, virgin, mild, refined etc.

## Unique selling points

Mercado nacional e internacional.

## Other

Entrepreneur and/or investor who wants to see the optimal possibilities of this business that is already working throughout Spain.

Foreign companies wishing to enter the Spanish olive oil market face more than just a push; they will be pushed upwards because the raw materials are not offered at cost price.
