Company history/background

Physiotherapy clinic for sale. Street-level premises, no architectural barriers, with excellent visibility and access.

The clinic has 4 spacious treatment rooms, where professionals provide physiotherapy, podiatry, nutrition and general medicine services.

The layout is spread across a 100m² space, which includes equipment and instruments such as diathermy,

shock waves, ultrasound, conical pulley, electrotherapy, podiatry chair, autoclave, pressure platform...) and all the equipment that exists in the clinic so that the legacy is from minute one in the most comfortable and professional way possible.

The clinic also boasts a portfolio of over 3,500 clients, a prominent web presence, a renewed health authorization until 2026, and all necessary operating licenses.
