Company history/background

The sale of this hospitality business along with the property is urgent.

The business is fully operational and strategically located in the heart of the country. It sits in a medieval village, in one of the most popular tourist destinations in Castilla-La Mancha, offering a wide range of rural and cultural tourism, nature, and gastronomy.

The building is in the Castilian style with a facade of stone, wood, and wrought iron. It has five floors with a total of 11 apartments, two garage levels, and a rooftop terrace with views of the mountains and a castle.

All apartments are furnished and fully equipped:

- 8 apartments feature a living room, dining room, kitchen, bathroom, terrace and separate bedroom.
- 2 loft-style apartments with living room, bedroom, kitchen and bathroom.
- 1 apartment with living room, dining room, kitchen, bathroom, and two separate bedrooms

The business has high profitability and offers growth opportunities, with a functional and well-positioned website.

Business for sale due to retirement.
