Company history/background

Two clothing stores, located in Salamanca and Zamora, are for sale. They sell classic and semi-classic style clothing and cater to a broad and diverse clientele. Each store has a dedicated employee to assist customers, and the premises are well-located with large storefronts. The Salamanca store is 130 square meters, and the Zamora store is approximately 80 square meters. Both stores have a high level of stock and were renovated five years ago, making them fully operational. COVID-19 had a minimal impact, and sales are now exceeding pre-

pandemic levels. The sale is due to the owner's change in business plans.
