Company history/background

Clinic with 26 years of experience in the region, with a loyal clientele. For sale due to retirement and relocation of one of the partners.

The clinic is selling the business along with all the equipment necessary for its operation. It offers the opportunity to continue operating at the same location with a long-term lease. The seller is committed to training the new

owner.

A long-established medical and surgical dermatology clinic in the wealthy Spanish region of Catalonia. It offers clinical dermatology, pediatric dermatology, surgical dermatology, allergic contact dermatitis (patch testing), skin cancer treatment, and treatment for sexually transmitted infections (STIs). Many growth pathways are available.

Other

This clinic is ideal for a registered doctor who wants to run their own clinic.
