Company history/background

Active restaurant business, with a healthy gastronomic proposal aligned with current trends. Located in a strategic area of high pedestrian traffic, a few meters from the beach, the premises has been completely renovated and has a neat aesthetic, loyal customers and consolidated operations. It currently operates in daytime, with great potential for growth by expanding to evenings, dinners and events. It is transferred for professional reorganization of the property.

Restaurant business focused on healthy and local cuisine, with current breakfast, brunch and lunch service. The premises, completely refurbished and with an attractive design, offers a gastronomic experience aligned with current trends: vegan, gluten-free and unprocessed options. It is located in a high traffic area, a few meters from the beach. The activity can be expanded with evening meals, dinners and catering services, lines already proposed by the property and with high potential demand. Operational project, versatile and with a consolidated brand image.

Unique selling points

Premises located in a strategic area that connects the beach with the bar route of the old part of Zarautz. It has a terrace in operation and a permit is being processed to enable a second terrace, which would significantly increase its capacity. In addition, there are possibilities of agreement with beverage brands to expand the gastronomic offer and activate new lines such as the "tardeo", further strengthening the positioning of the business in the area.

Other

Entrepreneur or investor with vision, who seeks financial autonomy and wants to manage his or her own project with identity. Ideal for those who wish to work on their own, with creative freedom, and develop an activity aligned with a healthy, sustainable and trendy lifestyle. It is also an excellent opportunity for investors who value businesses with a consolidated brand, a constant flow of customers and potential for profitability in the medium term. We are looking for someone with energy, initiative and desire to grow an authentic and different project.
