Company history/background

Regarding; The sale of 100% of the shares of a private limited company. The tangible fixed assets required for operations are already included in the company.

Reason for sale; After more than 25 years of building and expanding his business, the entrepreneur is ready for the next phase in his life. There is no successor within the family and/or among the staff. He has therefore

decided to offer the business for sale.

Profile company; The company specializes in cleaning and anti-corrosion work in a specific international market. In this market, the company has become a leading player with limited competition. The company has a loyal customer base of multinationals, operates in 7 countries (Benelux, Germany, Poland, France and Austria) and is headquartered in the Netherlands. It distinguishes itself in the market through its efficient planning, short lines of communication, reliable execution (is regionally managed per country) and specialist knowledge.

Employees; The company employs both staff and freelancers (15–20 people), who on average have been working for the company for 6 years. All professionals hold relevant certifications, including VCA. They work in various self-managing teams spread across Europe. There are project managers who have been active for more than 10 years. The current CEO – who works part-time – is, together with the project managers, responsible for preparing quotations.

Location; The company is based in the Netherlands, where an office and a warehouse for vehicles and materials are rented. Additionally, there are branches in Poland and Germany.

Financial information;

Jaar	2023	2024	HY 2025	P2025	P2026
Omzet (€)	1.400.000	1.100.000	725.000	1.500.000	2.000.000
Gen. EBITDA (€)	400.000	350.000	230.000	380.000	530.000

In the third quarter of 2025, a number of contracts were concluded with multinationals, resulting in a significant increase in revenue and results expected for 2026 and 2027.

Other

Notes; The company may be an interesting addition for an MBI candidate with technical or operational experience looking to combine independent entrepreneurship with growth in a stable international niche market, or for a strategic buyer looking to acquire/expand a stake in the market in which this company operates.

Follow-up procedure; If interested, more information can be provided after signing a Non-Disclosure Agreement. After an introductory meeting with the seller and advisor, interested parties are invited to submit an initial non-binding offer.
