Company history/background

For sale: a company specializing in parquet flooring and wood carpentry, including doors, wardrobes, designer kitchens, stairs, etc., located in the province of Barcelona. The company boasts a highly specialized staff and team to handle all types of projects, from public and private real estate developments to commercial premises and private buildings, including after-sales services. They have a large showroom, materials warehouse, and office in Vallès Occidental, as well as a retail store in central Barcelona. Both properties are owned and leased (the lease is negotiable) and are not included in the sale price. The company is a well-established limited liability company (SL) with over 20 years of operation, a substantial client base, positive results, and no debt. Reason for

sale: owner's retirement. The new owner will be supported for an agreed-upon period. Annual revenue is approximately €1 million with demonstrable profits. Opportunity to purchase the entire company through a transfer of ownership. Ref. VSC10903
