Company history/background

The company was incorporated in the 1990s with the aim of providing a high-quality professional cleaning and maintenance service.

The company has grown significantly in recent years, and our infrastructure has evolved alongside us to incorporate technological advancements. As a result, we possess the necessary machinery to tackle any type of project. This allows us to offer a solution for every surface and challenge we face.

We provide cleaning and maintenance services, working for individuals and companies. These services include:

- Office cleaning
- Cleaning of garages, warehouses and commercial premises
- General cleaning after construction work
- Cleaning of homeowners' associations
- Window cleaning

Unique selling points

The company boasts a large client base of over 300 customers who have witnessed our growth and evolution over the years. Many of our clients have been with us for more than 20 years, demonstrating a high level of loyalty.
