Gym for sale in Seville Capital with 1,900 clients and 1,200 square meters of facilities (equipment room, a cardio room, a cycling room, an elliptical room, two multipurpose rooms, a spa and various spaces divided into two floors).

It is currently profitable and generating returns.

Although valued at around €600,000, it's being sold for €30,000 (thirty thousand euros). It's the fastest and most

affordable way to have your own fully equipped, operational gym with clients.

It is necessary to accept the lease agreement and guarantee the payment of the legally established overdue debt (worth ninety-eight thousand euros), to be paid over seven years with the profits generated by the gym.

The asking price is €30,000
