Sale of a men's clothing company based in a major town in the province of Seville.

It is a company dedicated to the manufacture of men's clothing, which they distribute throughout the country through numerous stores. They are currently undergoing a process of expansion and growth thanks to the company's consolidation in recent years.

Currently, they have a business line based on offering their men's clothing through a network of stores

distributed throughout the national territory, and could even expand to the international market.

It has a premises for rent of approximately one hundred square meters, whose monthly rent is three hundred and fifty euros.

Growing sector.

RRP €175,000
