Sale of a Horticulture Company located in a major town in the province of Navarra.

This is a relatively new company, but it is already one of the leading producers of peppers in Tudela, Spain. They are involved in both agriculture and the marketing of agricultural products.

It is classified under the CNAE 2009 code for: Cultivation of vegetables, roots and tubers, non-perennial crops, agriculture, livestock, hunting and related services. They are dedicated to the cultivation and marketing of

peppers, broccoli, cauliflower, rice, asparagus, etc.

Currently, they have a business line based on the cultivation and marketing of agricultural products, especially vegetables.

Its main clients are freezing plants. It operates primarily in its province and neighboring provinces, with the possibility of expanding the business to other geographical areas within and outside of Spain.

They own over fifty hectares of land for crops and also rent additional hectares. They have a warehouse of over 400 square meters.

Seeking an investment partner to acquire 30% of the company shares.
