Sale of Academy of Studies (C-7111), located in an important town in the province of Madrid.

This business inspires an educational project based on the concept of open education and a firm commitment to providing a solid education to all students. The main objectives of this academy are guidance, self-esteem, and learning. They strive to promote the student's holistic development through personalized attention and a relationship of trust with the teaching staff, fostering self-esteem, a drive to excel, and the development of personal skills. In addition to academic training, they aim to increase student motivation and focus, guiding them

in their studies and the acquisition of intellectual work habits and techniques, both personal and academic. They offer English classes, computer classes, tutoring, corporate courses, and more. Classes are tailored to the needs of each student. Currently, they have a business line geared towards both children and adults. They offer various services such as language academies, computer courses, tutoring, etc. RRP €50,000
