Sale of Polyclinic Company (C-7998) located in an important town in the province of Madrid.

This is a medical specialty clinic with over 25 years of experience in various branches of podiatry, providing comprehensive foot treatment and diagnosis. They have internationally renowned specialists who offer personalized care tailored to each patient's needs. They possess the necessary and most advanced resources for the examination, radiodiagnosis, and treatment of their patients, from both surgical and orthopedic perspectives. They also offer non-invasive aesthetic medicine treatments such as Botox, carboxytherapy, and

lymphatic drainage. They provide medical services to patients in the field of reconstructive plastic surgery, restoring parts of the body damaged by accidents or deformities. The most frequent reconstructive plastic surgery procedures performed at the clinic are the following: Mastopexy, otoplasty, rhinoplasty, liposuction, etc... They also offer physiotherapy services planned, designed, and directed exclusively by university-qualified and registered physiotherapists with extensive experience in the field and ongoing professional development. Therefore, they can guarantee the highest quality of work. They also have a large team of specialists in Family Medicine, Community Medicine, and General Medicine, comprised of renowned doctors. All of them provide Family Medicine services following the strictest protocols established by the relevant medical societies. They have agreements with the leading insurance companies in the sector. Their facilities, approximately 400 square meters, are rented for a monthly rent of 4,000 euros. The space includes a reception and administration area, two waiting rooms, twelve consulting rooms, an office, a sterilization room, an X-ray room, a pharmacy storage room, a training room, a warehouse, an accessible bathroom, and a staff bathroom and kitchen area.
