This is a bar-restaurant located in a restored and adapted old farmhouse, perfect for serving traditional dinners. Combined with a lounge, kitchenette, terraces, and a shop, it offers a picturesque and elegant setting. Another unique feature is its philosophy of preserving regional culinary traditions, products, cultivation methods, and traditional flavors. It perfectly blends organic ingredients with the pleasure of fine dining. They offer modern dishes that combine traditional preparations, resulting in innovative market cuisine that honors the typical flavors

of the region. The restaurant has two terraces where you can enjoy tapas and appetizers, as well as lunch or dinner. They have several gardens where they grow their own organic produce, which they use as raw materials in their cooking. The rent for the premises would be €1,500. List price: €700,000
