SALE of a FOOD WHOLESALER Company (C-8613) domiciled in the province of SALAMANCIA.

It is a company dedicated to the wholesale distribution of food products, with over twenty years of experience in the sector. They specialize in the wholesale distribution and sale of food products (meat, fruit, and dry goods). Since 2000, they have been associated with a major brand organization that has over 30 members nationwide, offering more than 3,500 branded products.

This company has exclusive distribution rights for these products in its region. All facilities comply with legal health and safety regulations, including hygiene and food quality standards, and are audited by an external company. They currently boast a large client base, thanks to their years of experience in the sector and the professionalism and quality of the products they offer.

It has two buildings. The first building, approximately 750 square meters, is owned by the company. The second building, approximately 350 square meters, is rented for approximately 350 euros per month. Both buildings are adjacent. The first building houses offices, cold storage, a cutting room, fruit storage, cold cuts storage, etc. The second building is configured for storage and parking of company vehicles.
