SALE of ARTISAN BAKERY COMPANY (C-8188) domiciled in the province of BARCELONA.

It is a company dedicated to the artisanal production of all types of bakery products, pastries, cakes, etc. They make the healthiest bread without additives and with natural sourdough starters from bacterial fermentation. They prepare the starter using different types of wheat and bacterial fermentation; this is their most important asset, and it makes their bread a healthy, nutritious food.

Healthy. They offer their customers more than fifty types of bread, each one better than the last. They have been in the sector for more than five years, which has given them a large customer base.

It comprises two adjoining premises forming a single physical unit, rented under a lease agreement, with an approximate area of 169 square meters. The monthly rent is two thousand five hundred euros. It is distributed over several floors; the first floor houses the retail store, and the second floor is where manufacturing takes place.

Target Selling Price: €550,000
