Currently, it is a well-established business with expansion possibilities by offering other services such as home gardening.

The facilities consist of a main building divided into three sections: the central section for display, the south section for outdoor plants, and the north section for indoor plants. Parallel to these three sections is an entrance porch with a wooden kiosk serving as a snack bar. There is also an area for storing substrates and aggregates. An adjacent plot contains a water storage tank, and another plot is used for parking and displaying trees. The facilities are available for rent at a rate of one thousand euros per month.

Target Selling Price: €180,000
